

Android Audio Programs App Guide

Use the Google Play Store to search for “LMI Audio” and download the free App appropriate for your device. The icon here matches the correct App version for newer Android systems.

- Click this Icon for Android 5.0 and later.

If you have previously used this app you will need to make sure you update it first before proceeding.

If this is your first time using the App, you will need to setup an account. Click on the green “Create new account” button.

The LMI Audio app login screen. It has a dark header with the "LMI Audio" text and a globe icon. Below the header are two input fields: "Email" with a person icon and "Password" with a key icon. A blue "Log in" button is below the password field. At the bottom, there is a green button labeled "Create new account" and a link labeled "Forgot password?". The "Create new account" button is circled in red.

- Complete the information requested and create a password.
- Your password must be at least 6 characters long and contain 1 upper case letter, 1 lowercase letter, 1 number, and 1 symbol: (Ex@mp2).
- A confirmation email will be sent to the email address you provided. Please open the email and click the “confirm your account” link to confirm your email and verify your account. You will receive another email thanking you for confirmation.

The account creation form. It has a blue header with the "LMI" logo. Below the header are several input fields: "Name*", "Username*", "Email*", "Password*", "Confirm password*", "Phone Number", and "Country*". There is a checkbox for "I'm not a robot" and a "Create account" button at the bottom. A note on the right states: "Your password must be more than 6 characters long, should contain at least 1 uppercase, 1 lowercase and 1 numeric character."The confirmation email screen. It has a blue header with the "LMI" logo. Below the header is a "Welcome ." message. It says: "You can confirm your account email through the link below: confirm your account". It also says: "If you didn't create this account, you can ignore this email." and "Your account won't become active until you access the link above. This link will be available for 24 hours." At the bottom, it says "Have a great day!". Below this is a separate box titled "LMI-Audio - Confirm email" with the text "Thank you for confirming your email."

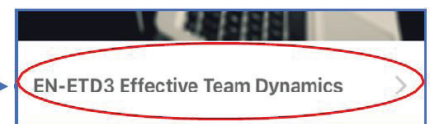

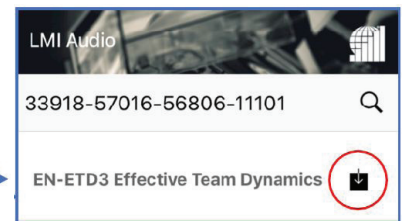

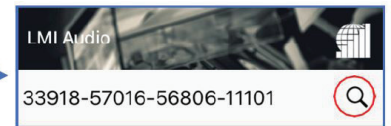

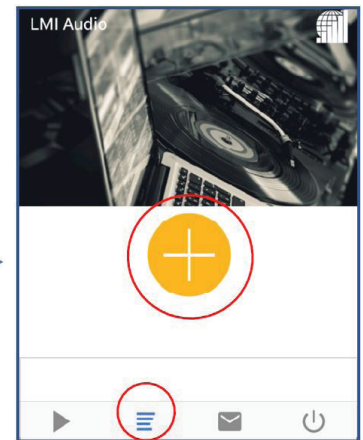

Once the App is installed or updated on your Android device, Open the app, Login and follow the next steps for setup.

The LMI Audio app login screen, identical to the one shown earlier. It has a dark header with the "LMI Audio" text and a globe icon. Below the header are two input fields: "Email" with a person icon and "Password" with a key icon. A blue "Log in" button is at the bottom.

How To Download Your Audio Files:

Once logged in the home page of the App will open.

1. Navigate to the search page by tapping the large yellow (+) icon or the list/files icon at the bottom of the page.
2. Type in the serial number printed on the License Certificate issued with your program. Please include the hyphens/dashes. Then tap the search icon.
3. The name of your program will appear once matched with your license key. To the right of the name is a download icon. Tap the icon to start your download and redirect back to the home screen.
4. Your program will now show on the home screen. Tap the name to open the lesson files. The three dots next to each lesson indicate download in progress and will disappear when complete. Please allow the downloads to complete before continuing to use your device or closing the App.

After the download is complete, the home screen will have a simple media player layout for you to use.
